Dear

The following is a list of films on sickle cell anemia that can be purchased or rented as indicated:

Sickle Cell Anemia - 35 Minutes
Lee Creative Communications, Inc., P. O. Box 1367, Rochester, NY
Rent or Buy

Sickle Cell Information Center - 8 1/2 Minutes
Jerry Weisman Producer, 67 West 68the Street, New York, New York
Purchase Only

The Doctor Is In - 40 Minutes
Girard Bank, 1 Girard Plaza, Philadelphia, Pennsylvania
Rent or Buy

Sickle Cell Anemia - 45 Minutes
Job Corps, U.S. Department of Labor, Manpower Administration,
601 D Street, NW, Room 6100, Washington, D. C. 20213
Loan

Transparencies and slides may be secured from the Tennessee Medical School, Memphis, Tennessee (Purchase Only). Write to the attention of Dr. Lemuel Diggs.

This letter in no way constitutes approval or endorsement.

With best wishes.

Sincerely,

Dorothy O. Blackburn

Dorothy O. Blackburn, ACSW
Public Health Educator
National Sickle Cell Disease Program

This is a list of materials for public education and counseling developed by Dr. Charles F. Whitten, President of the National Association for Sickle Cell Disease, Inc.; Professor of Pediatrics, Wayne State University School of Medicine.

ITEM	PRICE	ORDER FROM
An audiovisual presentation consisting of 20 color slides and a 15-minute taped narration (cassette). It is entitled, "THE SICKLE CELL STORY" and presents basic information on sickle cell anemia for laymen.	$50.00	The Sickle Cell Detection and Information Center 18516 James Couzens Freeway Detroit, Mich. 48235
Color prints of the 20 slides in "THE SICKLE CELL STORY." 5" x 7" 8" x 10"	 $3.25/print $5.00/print	The Sickle Cell Detection and Information Center 18516 James Couzens Freeway Detroit, Mich. 48235
Color prints (5"x7") designed to illustrate the key facts to be transmitted in sickle cell trait (22) and Hb C trait (14) counseling.	$3.25/print	National Association for Sickle Cell Disease, Inc. 945 South Western Ave., Suite 206 Los Angeles, Calif. 90006
Brochure entitled, "Highlights of the Sickle Cell Story." This is a companion to the audiovisual presentation with respect ot information, language style and sketches. 1 - 499 copies Above 500 " Organization's name, address and phone no. can be imprinted. $5.00 per 500 for first 1,000; thereafter $2.50 per 1,000.	 16¢ ea. 15¢ ea.	Craftsmen Printing Company 5222 Wabash Detroit, Mich. 48208
Book Marker - a card containing simply stated essential information on Thalassemia.	5¢ ea.	Craftsmen Printing Company 5222 Wabash Detroit, Mich. 48208
Book Marker - a card containing simply stated essential information on sickle cell trait and anemia.	5¢ ea.	Craftsmen Printing Company 5222 Wabash Detroit, Mich. 48208
Book Marker - a card containing simply stated essential information on Hemoglobin C.	5¢ ea.	Craftsmen Printing Company 5222 Wabash Detroit, Mich. 48208
Sickle Cell Dice - an aid to genetic counseling. 6 plastic dice representing males & females with all normal hemoglobin, sickle cell trait and sickle cell anemia. Rolling the dice dramatizes the element of chance in inheriting sickle cell trait and anemia.	$30.00 for set of 6	National Association for Sickle Cell Disease, Inc. 945 South Western Ave., Suite 206 Los Angeles, Calif. 90006

LITERATURE USED BY THE FEDERALLY FUNDED SCREENING AND EDUCATION PROJECT

	Title	Produced By	Comments
1.	"A Child With Sickle Cell Disease - His Hobbies and Activities"	Dr. Sylvia Tetrault and Dr. Roland Scott Center for Sickle Cell Disease Howard University Washington, D.C. 20001 - 1973	Excellent brochure for parents of persons with sickle cell anemia. Could be used effectively with other adults who come in contact with this group. Gives good suggestions on hobbies and activities for children with sickle cell anemia.
2.	"Answers To Questions Most Often Asked About Sickle Cell"	Department of Human Resources District of Columbia	Accurate, concise, readable, attractive, illustrative, touches most major points. It is a multicolor illustrated brochure that can be used with general audiences. However, the discussion on probability should include "with each pregnancy."
3.	"Caring for Children With Sickle Cell Anemia"	Camille L. Duckett Children 18: 227-231 Nov. - Dec. 1971	Deals with the emotional as well as the physical care of children with sickle cell anemia and the role that the nurse, hospital, parents and others must play.
4.	"Fact Sheet"	St. Vincent Hospital Sickle Cell Project 2213 Cherry Street Toledo, Ohio 43608 Tel. (419) 249-4461	Accurate, concise, readable, can be used with general audiences.
5.	"Facts About Sickle Cell Anemia"	Provident Hospital Baltimore, Maryland	Accurate, concise, touches most major points. It does need to add that sickle cell is not only a Black problem; readable, suitable for general audiences.
6.	"Facts About Sickle Cell Anemia and Sickle Cell Trait"	Dr. Carl D. Robinson Sickle Cell Program Flint - Goodridge Hospital 2333 Louisiana Avenue New Orleans, Louisiana 70115 Tel. (504) 895-7703	Fact Sheet. Accurate, concise, readable can be used with various audiences.

Title	Produced By	Comments
7. "Facts on Hemoglobin C"	Dr. Carl D. Robinson Sickle Cell Program Flint-Goodridge Hospital 2333 Louisiana Avenue New Orleans, Louisiana 70115 Tel. (504) 895-7703	Fact Sheet on Hemoglobin C Disease and Hemoglobin C Trait. Accurate, concise, readable, primarily designed to obtain a better understanding of persons with this diagnosis.
8. "Fact Sheet on Thalassemia"	Charles F. Whitten, M.D. Wayne State University School of Medicine Distributed by The Sickle Cell Center at Deaconess Hospital 620 North 19th Street Milwaukee, Wisconsin 53233	Accurate, concise, readable, primarily designed to obtain a better understanding of persons with this diagnosis.
9. "Fact Sheet Sickle Cell Anemia"	National Sickle Cell Disease Program National Heart and Lung Institute National Institutes of Health Bethesda, Maryland 20014	Very inclusive booklet discusses: background philosophy, highlights, services, research projects and names of advisory members for the National Program.
10. "Fact Sheet on Sickle Cell Trait and Anemia"	Charles F. Whitten, M.D. Wayne State University School of Medicine Detroit, Michigan 48201	Accurate, concise, readable, can be used with general audiences.
11. "Come See Us"	Whitney Young Sickle Cell Program 628 North Broadway Lexington, Kentucky 40508	Promotional flyer: attractive, concise, readable.
12. "Have You Had Your Sickle Cell Test?"	Flint-Goodridge Hospital 2333 Louisiana Avenue New Orleans, Louisiana 70115	Attractive promotional brochure. Accurate, concise, readable, can be used with various audiences.

Title	Produced By	Comments
13. "Have You Had the Sickle Cell Test?"	Center for Sickle Cell Disease Howard University College of Medicine Washington, D.C. 2001 Rev. 1974	Attractive promotional brochure; accurate concise, readable, it can be used with various audiences. (Definitions could be clearer; deficient is misspelled.)
14. "How to Help Your Child 'Take It In Stride'"	National Association for Sickle Cell Disease, Inc. 945 South Western Avenue Suite 206 Los Angeles, California 90006	Non-medical common sense guide for parents of children with sickle cell anemia. Pamphlet describes many of the possible experiences and problems which children with sickle cell anemia and their families may have and how to prevent or cope with them.
15. "How Well-Informed Are You? About Your Health Your Future"	Sickle Cell Anemia Project 505 Clifton Avenue Newark, New Jersey 07108	Attractive 10-question questionnaire on sickle cell anemia. Accurate, concise, touches on many of the myths and misconceptions regarding sickle cell anemia and the trait.
16. "Highlights of the Sickle Cell Story"	Charles Whitten, M.D. Detroit, Michigan 48201	Authoritative, lengthy, suited more to paraprofessionals than lay audiences. Excellent reference material.
17. "Sickle Cell"	Metropolitan Chicago Chapter The National Foundation - March of Dimes	Accurate, concise, readable, can be used with various audiences.
18. "Sickle Cell"	Sickle Cell Education and Screening Clinic Citizens of Tioga-Nicetown, Inc. 3534 North Sixteenth Street Philadelphia, Pa. 19140	Informational brochure on sickle cell anemia and sickle cell trait. Accurate, concise, touches most major points. Includes diagrams.

Title	Produced By	Comments
19. "Sickle Cell Anemia"	Huntsville Sickle Cell Center 898 Church Street Huntsville, Alabama 35801	One-page leaflet, accurate, concise, readable, can be used with various audiences.
20. "Sickle Cell Anemia"	Jane S. Lin-Fu, M.D. U.S. DHEW Rockville, Maryland 20852 Revised 1972; orig. ed. 1965 For sale: U.S. Supt. of Documents Government Printing Off. Washington, D.C. 40402 50¢ postpaid or 35¢ GPO Bookstore	Medically oriented, suited to professionals and paraprofessionals more than general audiences. Revision needed to include latest research that sickle cell trait is not a disease.
21. "Sickle Cell Anemia"	Maryland State Department of Health and Mental Hygience Baltimore, Maryland 21201	Informative. Language is simple, can be used with general audiences.
22. "Sickle Cell Anemia"	Entire issue of Urban Health, Dec. 1973 and pp. 30-41 in Feb. 1974 issue Urban Health	A series of articles discussing: laboratory diagnosis of sickle cell anemia, the treatment of crises in sickle cell anemia, genetic counseling, mental health and rehabilitation of those with sickle cell anemia, community involvement in sickle programs and common complications of sickle cell anemia.
23. "Sickle Cell Anemia - A Medical Review"	Jane S. Lin-Fu, M.D.	Medically oriented, designed for professionals and paraprofessionals in allied health fields.

Title	Produced By	Comments
24. "Sickle Cell Anemia and Your Child" Questions and Answers on Sickle Cell Anemia for Parents	Drs. Roland Scott and Althea Kessler	Non-medical pamphlet prepared for lay readers and parents of children with sickle cell anemia. Educators and counselors should be cautioned of the negative terminology that is used in the pamphlet (e.g., victim, affected, defect, etc.). No medically inaccurate facts. Pub. 1971.
25. "Sickle Cell Anemia and Sickle Cell Trait"	U.S. Department of Labor Job Corps	Appropriate for general use, paraprofessionals and professionals in related health areas. Recommend deletion of reference to prevention, and examples of other inherited conditions.
26. "Sickle Cell Anemia and Trait"	Huntsville Sickle Cell Center 898 Church Street Huntsville, Alabama 35801	Fact Sheet. Accurate, concise, readable, can be used with general audiences.
27. "Sickle Cell Anemia Fact Book"	Robert B. Scott, M.D. Virginia State Dept. of Health Richmond, Virginia Rev. 1972	Fifteen-page booklet prepared for teachers, social workers, and other nonmedical professionals. Although revised to include information generated from mass screening programs now in existence, it does not include information on other non-blacks susceptible to sickle cell anemia (e.g., Indians, Latin Americans, Asians, etc.). The diagrams are inaccurately labeled SA to designate sickle cell trait. This error should be corrected when information is presented. Information is readable, gives basic information for the intended audience. Should not be only source.

Title	Produced By	Comments
28. "Sickle Cell Anemia Facts You Should Know"	Virginia Sickle Cell Anemia Awareness Program (VASCAP) Hematology Division Medical College of Virginia Health Sciences Division of Virginia Commonwealth University Richmond, Virginia 23219	Accurate, concise, readable, can be used with general audiences.
29. "Sickle Cell Education and Screening Program"	Dr. Carl D. Robinson Sickle Cell Program Flint-Goodridge Hospital 2333 Louisiana Avenue New Orleans, Louisiana 70115 Tel. (504) 895-7703	Promotional pamphlet. Includes description of program services offered and list of publications.
30. "Sickle Cell in Kentucky"	Mary Smith and Jonnie Jackson 628 North Broadway Lexington, Kentucky 40508 Tel. (606) 253-0639 Urban League Extension Office 28th and Dumesnil Lousiville, Kentucky 40211 Tel. (502) 776-7779	Gives brief but concise information on sickle cell anemia and sickle cell trait. Creative illustrations using map of Kentucky to describe sickled cells. Readable, can be used with various audiences.
31. "So I Have Sickle Cell Trait"	DHEW, Public Health Service National Institutes of Health Bethesda, Maryland 20014 DHEW Pub. No. (NIH) 74-421	Accurate, concise, readable, it can be used with various audiences, especially elementary and secondary students.
32. "The Huntsville Sickle Cell Center"	Huntsville Sickle Cell Center 898 Church Street Huntsville, Alabama 35801	An excellent introductory brochure, using a triangle to depict the 3-dimensional approach - education, screening, counseling and follow-up, gives pertinent information about the Huntsville Center.

Title	Produced By	Comments
33. "What's All This Talk About Sickle Cell?"	Genetic Counseling Division Center for Sickle Cell Anemia College of Medicine Howard University, 1973	Answers 10 basic questions about sickle cell anemia and sickle cell trait. Accurate, concise, readable, it can be used with various audiences.
34. "What Does It Mean To Have Sickle Cell Trait?"	Flint Goodridge Hospital 2333 Louisiana Avenue New Orleans, Louisiana 70115	Informational brochure on sickle cell trait Accurate, concise, touches most major points. Includes illustrations.
35. "What Sickle Cell Anemia Is Not What Sickle Cell Anemia Is"	Dr. Carl D. Robinson Sickle Cell Program Flint-Goodridge Hospital 2333 Louisiana Avenue New Orleans, Louisiana 70115	Fact Sheet. Accurate, concise, readable, can be used with general audiences
36. "Fact Sheet on Hemoglobin C"	Charles F. Whitten, M.D. Wayne State University School of Medicine Detroit, Michigan 48201	Accurate, concise, readable, can be used with general audiences.
